UNITED STATES MARINE CORPS

Dear Mom;

Received your V-letter last Thur.
and am happy to hear that every thing
is still alright.

Havent much time to think of home
because I am busy day and night. There
been doing a lot of studying lately and it
helps to make the nights shorter.

Am still in good health except for
my feet. They are starting to give me
trouble again but I hope that they can
be taken care of right away.

Hope that Mary isnt having to much
trouble with the new baby. Sorry that
I didn't send a name for the baby but
I know she will forgive me. Tell her to
be careful for my sake as well as the babys.
Her letters do much to keep my morale up.
Don't know what I would do if something
were to happen to her. Please watch over
her Mom, and take good care of her.

Sorry that I didn't mention Mrs Robert and
and  Mr Bergmaier in my previous
letters. Hope that Mrs Robert continues
to hear good news about Allen.

About Mary investing her money
in bonds tell her I would feel much
better if she wouldn't spend too much
money on them. It is a very wise thing
to invest money in these turbulent times
but not to such an extreme as she is
doing.

By now you should have received
the first check from Washington. Mom,
this money is all for you and I don't
want you saving it for me. Spend it
as you like because it gives me a
small measure of happiness to know that
you are enjoying yourself while I am away.

Sure miss Diane and her cute wraps.
Could you send me a picture of her in
the next letter. I received the other you
sent but they were blurred.

About Eddie's being drafted it is very
remote. If they start taking men
like him things must be in a
such state of affairs back home.

I know that he would like to
join the service but tell him that I'll
do all the fighting for our family.

My love to all of you and until
later, keep your chin up, and keep
smiling, we will see this thru and all
will be well again

Love
George
